Bar Hill News

Ring out the old, ring in the new,

May we wish you a prosperous and peaceful New Year and hope that you will find the Bar Hill News as interesting as the 'old Newsletter'. Taking over an established and successful publication has not been without its traumatic experiences and we would like to thank all those people who have been associated with this first edition, particularly the secretaries of the various village organisations for meeting a very early deadline due to the Christmas activities, and to Mike Turner for his assistance in designing and printing the new title page. Finally, , on the thank yous, we should like to add our gratitude to the large number of acknowledgements we have received of John and Gillian Wills work in producing the Newsletter over the past five years.

RENEWAL OF MEMBERSHIP

The Bar Hill Residents' Association are currently conducting their annual membership drive. Not all areas of the village have yet been canvassed but we will be aiming to complete this by the end of the month.

Membership of the Association is 50 pence per year to householders and £1 to businesses. Senior citizens are eligible to free membership but may make donations if they wish. We are encouraged by the results achieved so far, in that only a very small percentage of the residents have declined to join, the main reason being that they anticipate to be moving house in the immediate future. Regrettably, we still find a number of residents unobtainable after 4 or 5 visits. If you are interested in the Bar Hill News and the aims of the Residents' Asscociation and we have missed you, membership subscriptions may be paid to any member of the Committee!

CHILDRENS PLAYGROUND EQUIPMENT

We would like to record our thanks to the Headmaster, staff and children of the School, who on our suggestion have through project work, submitted a number of i eas for an adventure playground.

We have to date, earmarked £126., including the proceeds of the Christmas Dance and the Brownies donation, towards the construction and erection of an adventure playground, which we hope to build in the Spring. A working party has been formed to mastermind this operation, and if you are able to offer us ideas, labour or materials (old tyres, wooden posts and stakes, ropes, concrete pipes, etc) the Committee would welcome you with open arms. Please contact (addresses on page 1) :-

Gerry Brunning, Tom Flanagan,
Eric Levitt or Kevin Read-Jones.

PLAYGROUP

What is Playgroup?

Playgroup is part of a child's experience, but for it to be of the most use to the child, it needs to be backed up with parent co-operation. And the reverse is true too - Playgroup experience backs up all the many things parents help their under-fives to do at home.

Parent co-operation can be expressed in very many ways:

1. Helping at Playgroup: you can see your child in a social environment which they might not have at home. This "socialising" being part of large group, or a small group, depending on the activity, is a vital part of the development of the under-fives.

2. Providing materials at home to enable the child to develop various skills. For example, doing a jigsaw is not simply making a whole picture out of pieces; it requires a lot of skill to match shapes, manipulate small pieces, match colours.

3. Remembering that through play the child is continually learning. The learning goes on from the moment a child wakes up till he goes to sleep.

4. The materials provided does not have to be expensive or bought specially. A cardboard box can give hours of fun and keep develop a child's imagination. Dough, made at home is cheap, water is readily available. Don't be dispirited if you spend half an hour setting up a play material for a child, who then uses for five minutes. Try not to be anxious or angry. That only makes both you and the child frustrated. It is hard, but it's worth it!!

This is all very general. In future issues we will be discussing children's play in more detail, giving lots of cheap ideas for play material for all the under-fives.

Playgroup Details

We run 6 sessions a week this term; 5 mornings, and Tuesday afternoon. For details contact Marie Purvey or Oliva Devine at the Church Centre between 9.30 - 12 noon, or Janet Bishop at 18 Acorn Avenue, Tel. 80231. We take children between ahe ages of 3 and 5.

ROYAL BRITISH LEGION - BAR HILL BRANCH

Anyone interested, please ring 80578 or 80232.

PARISH COUNCIL

The names, addresses and telephone numbers of Councillors and the Clerk are permanently displayed on the Notice Board outside Keymarkets.

I would like to remind readers of two things:-

1. All our monthly meetings are open to the public. They are held on the third Tuesday of every month, 8.0 p.m. at the School. Our minutes are always displayed on the Notice Board near Keymarkets.

2. We are the official means of communication on a number of matters, and work very closely with the Residents' Association. We are available to receive complaints, queries and suggestions which can be made either to the Clerk of to any Parish Councillor.

A date for your diary - the Annual Parish Meeting will be held on Tuesday 25th March 1975, at 7.30 p.m. in Bar Hill School. We would like it if everyone attended, as the object is to review the past year's activities and to discuss any matters which you wish to raise with the Parish Council. Usually the better the attendance the more interesting the meeting.

Meeting of 17th December 1974

Some of the main points discussed at our recent meeting:

1. Resignations: We received the resignations of Mrs. Penny Fromant and Mr. Ivan Chamberlain with regret. We are obviously very grateful to them for their help in the past.

   The vacancies will be filled by the Council appointing two people, to serve until mid-1976. If anyone in interested or would like further information perhaps they could contact The Clerk, Mark Pettit, 28 Acorn Avenue, Tel: Crafts Hill 80400.

2. Planning Applications: The application of the offic block to go near Keymarkets was considered again. Our letters of objection covering 9 points was approved. If anybody still wishes to object will they please write to the South Cambs District Council.

3. Allotments: We understand that the Developers will be working on this site in the Spring of 1975. We have had talks with the Horticultural Society about a number of relative matters which we hope to resolve shortly.

4. Pheasant Rise Roads/Lights: Regrettably and all too obviously there is no progress to report. However, we believe that the Developers may well have some more lights switched on during January/February 1975 but they will only promise repairs to the existing road surface. Before anyone gets the impression that nothing is being done on their behalf, I would explain that Nunns the builders are not legally related to The Trafalgar House Investments Group. You may recall the Nunns together with the development work on Phases 3 & 7, were sold to Deblen Finance by Trafalgar House. Thus while Trafalgar House may be sympathetic to the problem they are in a difficult position in that they do not legally control Nunns.

   Notwithstanding the above, the moral position appears quite clear and I am trying very hard to get an improvement in conditions.

PARISH CONCI CONTINUED

5. Library: We are told by the County Librarian that at present there are no plans (confounding the rumours) to close the Library in the School. We understand in fact that there may well be an increase in the allocated bookshelf space thereby improving the service.

6. Duplicator: We have not proceeded with our planned purchase of a new Duplicator in view of the Schools kind offer to make their spare machine available to members of the Community School Users Association.

7. Lagoons in the Park: We are advised that these will be tarmaced as planned when the industrial road repairs are done, which should be January/February 1975.

8. Buses: We are discussing with Eastern Connties the problems of the terminus at the entrance to Pheasant Rise and how this relates to the ultimate bus route around Bar Hill. In addition we are investigating the costs of Bus Shelters.

9. A604/Bar Hill Flyovers: Plans and explanations of the various Orders relating to our A604 junction made by the Department of the Environment can be inspected the The Clerk's house (reasonable hours). We are told that the end of February 1975 is still the likely starting date and that the flyover should be completed in one year. While the more cynical might not agree it does seem that the flyover could possibly "happen" during 1975.

There are a number of queries that we are pursueing with the Road Construction Unit.

10. Grant to Newsletter: We agreed a grant of £25 towards the cost of printing the newsletters during the bext year. We also agreed to a contribution of £10 towards the printing of the proposed Village Directory.

Our next meeting is on Tuesday January 21st 1975 at 8 p.m. in the School.

COMMUNITY HEALTH COUNCIL

These Councils have been established all over the country. Our local one is based at 21 Trumpington Street, Cambridge (next to old Addenbrookes). Their object is to represent the views of the public to those who manage the Health Service. It is, therefore, a Council concerned with the development of the Health Service rather than as part of the complaints machinery.

If anybody wishes to read the literature it is available from me. Alternatively you may care to contact the Council directly.

Mark Pettit (Parish Clerk)
28 Acorn Avenue. Tel: Crafts Hill 80400.

READING FOR PLEASURE

A new series of classes on English writers will be held in Bar Hill, commencing in January.

Our new tutor will be Mrs. S. Barron, who lives in the Village, and who is anxious to discuss the course beforehand with people interested in taking part; it is particularly useful to agree on the sort of material most members of the class would enjoy, and suggestions will be welcome.

If you think you might be interested in this new class, please come to a preliminary meeting at 8.30 p.m. on FRIDAY 3rd JANUARY at 9 Almond Grove. We shall try to fix the dates of the classes then, and will advertise the details decided on.

LETTERS TO THE EDITOR

Here are the letters received this month from residents of Bar Hill.

Congratulations

I have no axe to grind as none my my children yet attend the Primary School, but I was most impressed with the Concert which the children and their teachers organised just before the end of last term. To see all the happy faces was a real delight as was the muscial quality of the works they performed.

Prospective PTA member.

Our thanks are due to John Wills who, ably assisted by his wife, has been responsible for the efficient production of the newsletter since June 1969. Five and a half years is a long time in the history of Bar Hill Village.

B. Pitman,
1, Otter Close, Bar Hill.

During our recent trip home to Australia we visited Dave and Kay Briggs, formerly of Bar Hill, at their new home in Melbourne, Australia. Dave, Kay and family have settled well down under and think they will be staying for some time. They would like to be remembered to all their friends in the Village and to send them their best wishes.

Ray & Beverley Smith.

We look forward to receiving more letters for next month's issue, so pass your copy to any member of the Committee, name and addresses on front cover of this edition.

GUIDES

Is there anyone in the Village willing to take over leadership of our Guide Company?

If you enjoy being with young people and have an hour or two to spare each week, please contact Mrs. Hardy at 1, Gladeside.

The Guides would like to thank everyone who supported their Coffee Evening, and they wish you all a Happy New Year.

BAR HILL YOUTH CLUB

As most people know a Youth Club has been operating in Bar Hill for several years now. Like many organisations it started life (under Ron Meadows and Dave Wilkins) in the School. A Primary School not being the best place to hold a Youth Club, the Six Penny Club as it was then called, lapsed for a while until the Parish Council stepped in three years ago and held a meeting of young people to assess what was needed. For almost a year after that the Club operated on a small group basis - meeting in homes, doing football training at Swavesey etc.

Continued overleaf . . . . .

BAR HILL YOUTH CLUB continued

The Church Centre was designed with youth activities specifically in mind, i.e. a coffee bar, foyer and a room off which could be used for games and disco's etc. When the Church Centre was opened in 1972 we moved in there and have been meeting once or twice weekly ever since. Our activities have been based on providing a social "Coffee Bar" atmosphere where youngsters can come and relax. We offer the normal table tennis, darts, records and games fare of any youth club and occasionally sun a course or a project based on craft work or some interest like "Beauty" - when we used the skills of local hairdressers, make-up experts and fashion sales women.

We are lucky to be in the catchment area of Swavesey Village College, where a purpose built Youth Centre offers a five night a week range of varied activities. All Bar Hill youngsters of secondary age can use these facilities - a bus runs from Bar Hill shopping centre every eveining.

From January the Club will be run by Roger Giles, the Youth Tutor at Swavesey Village College, with occasional help from Chris Ginn. MORE HELP is needed however. A rota of helpers who could run the Coffee Bar etc., would set the leader free to supervise other group activities.

The Teenage Group in Bar Hill is growing steadily every year. If you want your youngsters to benefit in a few years time from a local lively local club YOUR help is needed NOW!

Any offers of help please to Roger Giles, telephone Swavesey 30373.

My personal thanks to all those in Bar Hill who have helped over the past 3½ years, especially Peter Small for his help with football training and those from the Playgroup who have helped with craft activities.

Kate McIlhagga

BHRA INFORMATION DIRECTORY

Peter Hoare is compiling an information booklet to be distributed to all newcomers and to existing residents of the Village. He would be most grateful if people would send him items they would like to see included in this document. It would also be extremely helpful if the Secretaries of all clubs and societies sent him their full name and address together with a summary of their club's activities, i.e. place, time and duration of meetings, annual subscription, aims, etc. (plus any other relevant informatio information). Peter Hoare may be contacted at 14, Pheasant Rise (Crafts Hill 80758). It is hoped that the Directory will be published in March/ April 1975.

Editorial Note: We would like to thank the Parish Council for their moral and financial support in this venture.

BAR HILL HORTICULTURAL SOCIETY

The Committee offer seasonal greetings to all and look forward to an enthusiastic year during 1975 in our gardens. One or two visits to the Cambridge City Nursery Gardens has been arranged and details will be published at a later date.

An Information Sheet is being prepared giving details of the activities of the Society and will be circulated to all present members. New members are welcomed, the joining fee being 25p and registration can be obtained from The Secretary at 7 Almond Grove or Treasurer, Mr. A. Harrison at 20 Almond Grove.

Gardening Hints

It is still possible, because of the mild weather, to plant shrubs, bulbs and spring plants, whilst the soil is workable, this includes, of course, varieties of Roses. When planted mulch the base of the plant with peat or straw or other suitable material, this will give some protection against frost.

Meeting

The next meeting for members will be held on Wednesday 5th February 1975 at 8.15 p.m. at the Bar Hill School.

A talk on "Photography in the Garden" will include the showing of many slides. The speaker will be Mr. A. Harrison.

W.C. Botfield, Hon. Secretary.

BAR HILL RESIDENTS' ASSOCIATION FROM THE SECRETARY'S NOTEPAD

This month sees the first edition from the new editing team and we hope that it will be as successful as the familiar "Newsletter" that John and Gillian Wills have faithfully produced for the last five years.

It was hoped that John would be able to be part of the new "team" but he regrets that due to personal commitments he cannot assist on a regular basis. Nevertheless he has volunteered to let the new team call on his technical expertise in the future.

On behalf of the Residents' Association Committee, and all the Village, I would like to thank John and Gillian for all the hard work and late nights that they have devoted in the past to producing the Newsletter so efficiently. May they have a happy "retirement".

Christmas Dance

Our Dance on Friday 13th December was, a social and financial success. Over 150 people ate, danced and were merry, and our thanks must go to all the Committee members who worked so hard, particularly, the ladies of the Committee - Sue Turner, Mary Ingram, Jo Hall and Janet Wood - for a splendid repost of Christmas Fare. Also to a non-committee member Jill Read-Jones who helped greatly in the preparation of the food.

Our thanks must go to Dick Grant for providing the Disco and to Magnum Opus for providing an excellent remedy to combat the cold. In all, over £40 profit was raised to add to the Childrens Playground Equipment Fund for the Village Green. (This includes a most generous donation of £10 from Mr. Perry of 'The Fox' out of the proceeds from the Bar).

Continued overleaf . . . .

From the Secretary's Notepad continued

Pheasant Rise

We have been advised that the road surface in Pheasant Rise is unlikely to be completed for some time. We consider this an extremely unsatisfactory affair and strong representations are being made to the Developers and the Parish Council.

Flyover

We are informed that work on the Flyover should commence in February 1975. Duration of work is quoted as being one year.

Industrial Area

January's who are the main agents for the Industrial and Commercial areas tell us that the road surfaces in the Industrial Area will be repaired and asphalted within the next few weeks. They have also agreed to consider to bring forward the Road Lighting plan for the road between the Fox and Hanover Housing.

R.A.F. Oakington

We have been informed that the Royal Fusiliers returning from service in Ulster will be moving into R.A.F. Oakington in late February. The Bar Hill Residents' Association will be requesting a meeting with the Commanding Officer in the near future to clarify the position. We are naturally concerned over this move with the recent spate of bombings in the country.

The Mall

A meeting was recently held with January's to discuss, amongst other things, the future of the Mall. We were interested to learn, contrary to our beliefs, that Keymarkets' Restrictive Covenant on the sale of bakery, meat and greengrocery products has no fixed term to run, but operates for as long as Keymarkets' wish to hold the lease.

We have expressed our concern to January's about the state of the Mall, and they have replied that they will be only too happy to consider any suggestions which may improve the Mall. However, maintenance is becoming very costly, primarily as a result of vandalism, and they are reluctant to invest further capital into improving the situation to see these efforts destroyed or removed overnight by vandals. When this is supported by figures - e.g. over £200 has been spent this year on renewing broken glass in the doors of the Mall, the extent of the damage is put into proportion.

The Residents' Association and I believe the vast majority, if not all the village's residents deplore such acts, and we can only ask for the support of everyone to eradicate this treatment of what could potentially be an attractive shooping centre.

We would welcome ideas on how:

a. Vandalism can be reduced

b. The Mall can be prevented from being used as a football pitch or cycle racing track.

c. The doorway can be improved to prevent damage to glass, and allow easy access for Mums with prams (some form of barrier is essential to prevent a wind tunnel being created).

d. The appearance of the Mall can be improved.

From The Secretary's Notepad continued

Bus Services

A number of complaints have been received from residents complaining about the lack of provision of a bus shelter 'up the hill' and the irregular timing of the bus service. These are being progressed with the Parish Council and bus companies.

BHRA January Committee Meeting

We would like to remind you that our Committee meetings are open to all residents who wish to attend. The next meeting is in the School on 13th January (Monday) commencing at 7.30 p.m.

A HAPPY NEW YEAR TO ALL OUR READERS.
